

TEDxSealineRd

Independent event for the city of Aden

TED

TED is a series of annual conferences that take place in California, the United States Of America, it was dedicated to all the work that deserve appreciation and care in the following fields (Technology, Entertainment, Design).

[Read more.](#)

A large red "TEDx" logo is displayed on a stage. Below the logo, a red carpet leads up to the stage area. The background is dark, and the stage lights are visible.

TEDx

Around ideas worth spreading, the idea of making TEDx conference as a local event came along. Its content and design is different and special from the others that speakers share their own experiences and thoughts.

TEDxSealineRd

This standard event came after the interest that has become popular for many companies, institutions, individuals and youth, especially at this time when we are in dire need of the creative Yemeni youth from various fields without exception, to communicate with them...
